Recipe: Standard Recipe Kg

1.000Kg Shortbread Mix

0.400Kg Softened Butter

Method:

1. Place Shortbread Mix and softened butter into a machine bowl fitted with a paddle.
2. Mix on slow speed until a stiff dough is formed
3. Process as required.

Deposit Weights & Baking Times:

- Baking Temperatures Bake at 150°C/300°F (Fan Assisted 140°C/285°F)
- Petticoat tails 10mm deep, Bake for 40-45 minutes
- Fingers 15mm deep, bake for 60-70 minutes - Double-shortbread 5mm deep, Bake for 20-25 minutes

Notes:

Over-mixing leads to a softening of the dough and this may make the dough more difficult to handle
